Irrigation \$3.00				Flow Regulated Landscape Drip Line	This drip line will evenly deliver approx 7.3L/m/hr.	Attach to your garden hose or include in your irrigation system.			

- Our instant hedges are grown and sold in **one-metre** lengths.
- **Availability, price, and height may change without notice.** Our latest price list can be downloaded from www.tvn.co.nz/downloads/tvn-catalogue.pdf or email us at info@tvn.co.nz
- **Prices include GST, delivery additional.** For a delivery quote, please email us with your location and the quantity/variety you are interested in to info@tvn.co.nz
- For indicative photos of each variety, please download our Product Brochure from www.tvn.co.nz/downloads/product-brochure.pdf. Email us at info@tvn.co.nz for photos of our currently available batch
- Key - **Fresh batch*** = new batch which can be planted now with care when handling the rootball at planting time. Will continue to develop to a fuller or taller hedge with seasonal growth
- More varieties are in production and will be added to the list when available for planting
- We recommend and can supply 13mm x 2.2l/hr x 30cm **Flow Regulated Landscape Drip Line** which evenly delivers water, at a known rate, to the root zone where it is needed.
